

## **2017 Sealift Financing for Businesses**

The Regional and Local Development Department of the Kativik Regional Government (KRG) would like to inform Nunavik businesses and business project proponents in need of financial support that the application period for sealift financing for the 2017 summer and fall seasons is now open.

Financing is available for both business start-up and expansion projects and applies to the shipping of equipment and construction materials.

Applications must be accompanied by a complete business plan and be submitted to the KRG Regional and Local Development Department in Kuujuaq before **April 5, 2017**, for the first summer sealift and before **May 5, 2017**, for the last fall sealift.

For more information regarding sealift financing and all business inquiries, contact the KRG Regional and Local Development Department in Kuujuaq at 819-964-2961, ext. 2247.
