WHO WE ARE

Youth Employment Services (YES) Nunavik is a project managed by the Kativik Regional Government to support the socio-professional integration of all young-adult Nunavimmiut aged between 16 and 35.

YES Nunavik offers many services to help youth develop their personal skills, identify employment needs, further their education, as well as acquire entrepreneurial values. To ensure the implementation of innovative projects that promote success, YES Nunavik is teaming up with local and regional partners.

YES Nunavik Mandate:

- Develop innovative and alternative projects for youth.
- Prepare youth to be fully involved in the growth of their community, active citizens and reliable employees.
- Support and prepare youth to integrate the job market.
- Support youth to stay in school, go back to school or further their education.

YES Nunavik Services:

Day-to-Day Services

- Action plans tailored to the specific needs of clients and monitoring.
- Professional and educational information, as well as referrals to other resources.
- Etc.

Pre-Employment and Employment Services

- Job-search support (CVs, cover letters, interview preparation, etc.).
- Workshops and training related to self-knowledge and essential skills.
- Internships and other related programs.

School Services

- Secondary and vocational school information.
- Career-opportunity workshops.
- Projects to promote education.
- Projects targeting school dropouts.

Entrepreneurship Services

- Entrepreneurship value development
- Assistance to help youth to develop and implement projects in fields that interest them (arts, culture, community services, environment, etc.)
- Innovative youth projects (youth summer businesses, student businesses,) in cooperation with local and regional partners

Special Projects and Activities

- Collective projects (arts, excursions, foreign exchange opportunities, etc.)

YOUTH EMPLOYMENT SERVICES NUNAVIK
CARREFOUR JEUNESSE-EMPLOI NUNAVIK

YES Nunavik is gathering information on employment opportunities (summer, part-time, full-time and temporary, jobs), training programs, school programs, volunteer opportunities and special community projects available in your community. We want to help local organisations to promote these opportunities to youth and make them more visible by posting them on our **Facebook page**.

The main objective of YES Nunavik is to motivate youth to get involved in their communities and to help them achieve their life goals whatever they may be.

Job postings and other information may be sent to:
