INFORMATION

Kativik Regional Government (KRG) is inviting Nunavik youth to participate in the cultural program at the Arctic Winter Games in Fairbanks, Alaska USA in March 2014.

The Games are a way to bring together bright and talented young performing artists from each of the international contingents to share their talents, gifts and abilities with the community and other games participants. It is also an opportunity for participants to perform in a variety of settings in a Games environment.

The team will be comprised of a maximum of six (6) performing artists plus a Coordinator and a Chaperone.

CRITERIA:

Participants chosen to represent Nunavik must:

- Be born between 1993 and 1999.
- Want to further their development as an artist.
- Be developing artists not using their artistic ability as their only source of income.
- Complete the team AWG registration form and provide all supporting documentation required by the Chef-de-Mission (i.e. health card number, birth certificate, passport, etc.)
- Agree to be present for the entire duration of the Games (March 15 – 22 plus travel days).
- Take part in all scheduled activities as outlined by the Chef-de-Mission and the Host Society.
- Work cooperatively in a team environment and abide by all the rules of your team and the host society.
- Be ready to present their own work and to participate in common arrangements (i.e.: jam sessions in athletes' village, performing at awards ceremonies, experiencing and interpreting the games through their art).

NOTE: The cultural participants are members of Team Nunavik-Quebec but will not at any time compete for medals or prizes during the Arctic Winter Games.

EXPECTATIONS:

Perform publicly once a day as scheduled and determined by the Host Society – i.e. award ceremonies, games venues, athletes' village and community venues.

Spontaneous performances are encouraged and expected throughout the week – i.e. performing in a mall setting, elders home.

Possibly to take part in gala performance(s) through discretion of Host Society's artistic director.

Performances will be at various lengths and determined closer to the dates.
