

Nunivaat Update, second quarter of 2017.

RESEARCH AND RELATED ACTIVITIES

- **NUNAVIK COST OF LIVING SURVEY** –The results of the Nunavik Cost of Living Survey were presented to the International Congress of Arctic Social Sciences IX 2017 in Umeå, Sweden.
- **COST OF LIVING PHASE II** – The work on the COL database has begun and the whole process should be finished in the coming fall. A bridging mechanism has been settle down between the negotiation table and Université Laval in order to provide relevant information for the upcoming discussions and negotiations.

WWW.NUNIVAAT.ORG

NEW WEBSITE

For its 10th anniversary, the Nunivaat website will be completely updated with the most recent technologies and a new design. This operation will begin at the end of the summer and it should be finished at the end of the coming fall.
