

Nunivaat Update, third quarter of 2017.

RESEARCH AND RELATED ACTIVITIES

- **COST OF LIVING PHASE II** – The work on the COL database continues, and a first set of analyses will be sent to the negotiation table in the upcoming weeks.
- **AD HOC ACTIVITIES**
 1. The Nunivaat team helped the councillors of Kuujuaq by updating a previous comparative analysis of Quebec and Nunavik demographic structures.
 2. The Director of Nunivaat databank paid a visit to KRG within the context of the Regional Council. Following this visit, new statistics produced by the KRG departments will be added to Nunivaat.
