

Kiewit – Nuvumiut A Partnership

November 1, 2020

Kiewit-Nuvumiut, a Partnership between CONSTRUCTION KIEWIT CO. and NUVUMIUT DEVELOPEMENTS INC, is seeking individual to fill the following position at its Raglan Surface Work Project.

Heavy Equipment Operator

Kiewit-Nuvumiut is seeking Inuit candidates for heavy equipment operators who will join its team for the surface works. Must have a minimum 2,000hrs experience on heavy equipments. The hourly rate is under the collective agreement and classification will be based on the experience of the operator. All operators that join Kiewit-Nuvumiut will be going through a designated operator certification and specific training can be offer upon the needs of the operation.

We are seeking an individual with the following attributes:

- Must have a basic 900-hour HEO course or must have a minimum 2,000 hrs experience;
- Possess a CCQ competency card is a plus;
- Must be able to work on a remote job site;
- Must be able to work long hours;
- Must be able to work in a multidisciplinary team;
- Must be able to communicate in either English or French;
- Must have a valid driver's license
- Must be able to recognize operation risk and work safe
- Must be able to do visual inspection of the equipment
- Being able to operate multiple equipment is a plus.

The employee will work on rotations according to the collective agreement of 2 weeks on site followed by 2 weeks off site. The on site-working schedule is 11 hours per day, 7 days a week. The job has a thirty (30) day probation period where after adjustments could be made by management.
