Kiewit-Nuvumiut, a Partnership between CONSTRUCTION KIEWIT CO. and NUVUMIUT DEVELOPEMENTS INC, is seeking individual to fill the following position at its Raglan Surface Work Project.

Labourer

Kiewit-Nuvumiut is seeking Inuit candidates who will join its team. Labour classification will depend on the experience of the candidates and salary based on the collective agreement already in place. Kiewit-Nuvumiut is looking for candidates to work as excavation labour, maintenance labour or janitors. Training onsite available.

We are seeking individual with the following attributes:

- Must be able to work on a remote job site;
- Must be able to work long hours;
- Must be able to work in a multidisciplinary team;
- Must be able to communicate in either English or French;
- Must perform tasks involving physical labour and work in any type of weather condition including extreme cold;
- Must be willing to learn and be versatile.
- Must possess a provincial driver's license valid.
- Class 3 driver's license is a plus.

The employee will work on rotations according to the collective agreement of 2 weeks on site followed by 2 weeks off site. The on site-working schedule is 11 hours per day, 7 days a week. The job has a thirty (30) day probation period where after adjustments could be made by management, and 90 days probation before becoming a union member.
