HOURLY RATE BETWEEN <u>\$42.01 AND \$47.47</u> ACCORDING TO CLASSES AND ASSIGNMENTS.	DEADLINE TO APPLY MAY 24, 2024	
The work location is in Nunavik and the normal work schedule is 11 hours per day on a rotation of 6 weeks: 3 weeks worked (77 hours per week, 7 days a week) followed by 3 weeks for rest.		

PRIVILEGES & BENEFITS

- A competitive salary including bonuses and a comprehensive range of benefits (group insurance, generous retirement plan, telemedicine, EAP, etc.).
- Enriching and stimulating learning opportunities.
- Our work environment is characterized by its friendliness, commitment, and a culture of collaboration.

RESPONSIBILITIES

Reporting to the Mobile Maintenance Supervisor, the Technician performs tasks while ensuring compliance with health, safety, and environmental rules in the workplace. His main tasks include:

- Monitoring tires;
- Performing tire repairs;
- Conducting tire rotations;
- Carrying out any other related tasks associated with the position.

QUALIFICATIONS

- Hold a High School Diploma.
- Have 2 to 5 years of experience in tire repair.
- Basic knowledge of heavy equipment mechanics.
- Experience in large-scale tire maintenance.
- Ability to diagnose wear and premature tire damage.
- Valid Class 3 or 1 driver's license.

ASSETS

- Experience in the mining industry.
- Vocational Diploma (DEP) in Construction Equipment Mechanics.
- Due to frequent interactions with French-speaking team members, bilingualism (French/English) is an asset to facilitate and enhance our internal communications.

PROFILE

- Work with a diverse and multicultural team.
- Autonomy, dynamism, positivity, respect, team spirit and versatility.
- Ability to work under pressure and maintain good interpersonal relationships.
